KINDERGARTEN ROUND-UP

School City of Mishawaka is offering only Full Day Kindergarten at all of our elementary schools this fall. Registration will be held the week of March 12 starting

at 9:00 a.m. Your child must be five (5) years old on or before September 1, 2017. We will ask to see the following to enroll:

- Proof of birth date, a certified birth certificate
- Proof of residency in the elementary school district
- Immunization records or exemption.

More information will be given at the time of enrollment.

Parents,

The recent tragedy in Florida reminds us all of the importance of safety and security in schools. I want to assure our Beiger families that our school has updated safety plans that have been created in collaboration with our School Resource Officers through the Mishawaka Police Department. The members of our staff have been trained on the specifics and we conduct periodic drills to ensure that everyone knows their role in a crisis. As you know, we have recently completed construction and protocols for entry into Beiger which will enhance the safety of our school. We appreciate your understanding as we enforce these new procedures – the safety of our students remains our highest priority.

I would also like to notify everyone that we have installed a new phone system throughout School City. The change over from the old system is to occur on February 20th. At or about that time you will notice the change as ALL calls will be coming to the main office system where the call will either be answered by our staff or an “auto attendant” where you follow the prompts to reach another office or access a teacher/staff member voicemail. ALL phone numbers will remain the same, but MUST be accessed by calling the Beiger main line at 574-254-4700. Thanks for your patience as we implement the new phone system.

**SAFETY
MATTERS**
