# ISTEP

**ISTEP FEBRUARY 27 – MARCH 10**

**THIS MARCH AND APRIL THE STUDENTS IN GRADES 3-6 WILL BE PARTICIPATING IN THE STATE TEST KNOWN AS ISTEP+. DURING THE WEEK OF FEB. 27-MARCH 10. THE CHILDREN WILL BE ASKED TO ANSWER OPEN ENDED QUESTIONS WHERE THEIR RESPONSES WILL BE GRADED NOT ONLY ON CORRECTNESS, BUT ALSO ON THEIR EXPLANATION OF HOW THEY ARRIVED AT THAT ANSWER.**

One really great resource that you can access from home is located at the Department of Education website. The website is <http://www.doe.in.gov/> You can print these off and have the kids practice these questions at home.

Here are the steps you take after you go to the website:

1. Go to **ISTEP+ assessment** under **Helpful Links** column on the left toolbar. Click on it.
2. Click on **Resources** (in the ISTEP+ 3-8 category).
3. Once you are on the **Resources** page -at the bottom you will find **Additional Resources**.
4. Once you are on the **Additional Resources** page -you will find **Applied Skills Assessment**. Click on it. (See back of this page)
5. Once you are on the **Applied Skills Assessment** page you can see the actual test from **previous years**.

The results of this test will not be known until the end of the school year. In April our students will be asked to answer multiple choice questions on part 2 of the ISTEP test.

**To give them their best chance of being successful please make sure your child gets an adequate amount of sleep each night and a good breakfast to start the day.**

## 2017 MATH BOWL—1ST PLACE!!!!
