2016–17 SCM Elementary Athletics

Greetings! Thank you for your interest in reviewing the 2016–17 Elementary Athletic Programs for School City of Mishawaka! Included in this pamphlet are various athletic information and schedules for the upcoming 2016–17 school year. As you may already know, all of the youth athletic programs, with the exception of football are under the direction of the School City of Mishawaka Athletic Department, and assisted by the PTA Council and PTA members from each school. The City of Mishawaka Parks and Recreation Department will continue administering tackle football grades 3–6, and a flag football camp for grades K–2. Sign-ups can be arranged by calling 258-1664. School City of Mishawaka students participating in athletic events that are offered within this brochure will represent their own school in practices and competitions. Sign-ups for these sports will be conducted by the schools head coach at the times listed in this pamphlet.

On behalf of the Mishawaka Athletic Department, we are pleased to continue to offer the elementary athletic programs. Although the programs are targeted to the 5th and 6th grade boys and girls, younger aged students may be allowed to participate only if there is a shortage on 5th and 6th grade student athletes, and the school cannot field a team for competition. Operations will continue much like it did last school year and we encourage all parents to get involved by volunteering their time to coach, work concessions and or admissions. If interested, please see information and sign up form to volunteer. Volunteer forms can be turned in to the principal's office where your child is enrolled. With that, here are a few highlights for the 2016–17 elementary athletic program:

- **Participation Cost:** Each sport is \$10.00 to participate and payment is due on the first official day of practice. Checks can be made out to Mishawaka High School Athletics.
- **Admission Charges:** All scheduled games/events will include a cost of \$1.00 per spectator.
- **Coaching Opportunities:** Anyone interested in coaching a specific sport is asked to call Matt Wood at Battell Elementary at 254-3900. All coaches will be subjected to an on-line criminal background check and a cost of \$30.00. A small stipend will be given to each head coach after the season has concluded.
- **Volunteers:** Elementary Athletics was brought back to the schools for a variety of reasons including the commitment from the PTA Council to provide volunteers to assist with admissions and concessions. All parents that have children participating in elementary athletics are strongly encouraged to reach out to their PTA officers and offer your service to volunteer for the games. Anyone who wants to volunteer as a score keeper, concession or admissions worker during events is asked to fill out volunteer form and turn it in to the principals office of where your child is enrolled.
- **Officials:** All scheduled games will have licensed IHSAA officials. Without these officials the kids cannot compete. We ask that everyone let the officials officiate so the kids can play without any distractions.
- **Rules:** Each sport will be governed by the rules outlined by the Indiana High School Athletic Association (IHSAA). Each sport could provide specific rule modifications to various areas including length of quarters in basketball, mandated playing time and running quarters.
- **Uniforms:** T-shirts with school name or logo will be issued to each student athlete. These t-shirts will be your child's to keep at the end of the season. Student athletes will be required to provide all other necessary uniform needs; i.e. gym shorts, and athletic footwear etc.
- **Athlete Permission Slip:** Each student athlete will be required to have his/her parent/legal guardian read and sign code of conduct/permission slip prior to the first day of practice.
- **Athletic Schedules:** Primary sports schedules are outlined in this pamphlet. *With that however, schedules can change due to unforeseen gymnasium conflicts, weather, etc.* Updated schedules will be posted onto the MHS website calendar. This calendar can be viewed by going to the School City of Mishawaka/Mishawaka High School, website.
- **Practices:** All practices (with the exception of wrestling) are scheduled to be immediately after school at 3:05 p.m. on the designated dates listed on the specific sport schedule. With that however, practice times could be altered if the principal and coach have conflicts. Head coaches will communicate the practice hours at the time of sign-up.
- **Games:** All games will be played after school on Tuesday and Thursday at the elementary schools. Play-off and championship games could be altered and played on a different day depending on the availability of gymnasiums. All championship games will be played at Mishawaka High School.
- **Sponsorship:** Anyone or any organization that would like to financially sponsor Mishawaka Elementary Athletics is asked to contact Matt Wood at 254-3900 or e-mail at: woodm@mishawaka.k12.in.us

Dear Parent/Guardian:

School City of Mishawaka Elementary Sports is provided for elementary students in all schools for grades 5–6. Elementary sports are completely funded through gate money, concessions, and spirit wear sales supervised by PTA.

As an elementary parent of a student who is participating in sports, it is expected that parents volunteer for at least one game/match at your child's school to help with gate money and/or concessions at home games. It is very much appreciated to provide this special opportunity for our students to show participation and provide experience in a sport at school.

On the registration sheet that you fill out for your child, it will be very helpful to mark which game(s) you would like to volunteer for. A PTA Representative from your child's school will call you to confirm what game you will be assigned.

I want to thank you for your time and willingness to help out. As we all work together, we can make this opportunity for our students the best elementary sports program in our schools.

Debbie Fox
Mishawaka PTA Council Sports Coordinator

3. Backstroke 4. Breaststroke 5. Freestyle
6. Individual Medley 7. Distance Free
8. Free Relay 9. Diving

ELEMENTARY ATHLETIC CODE AND PERMISSION

School City of Mishawaka Elementary schools are great schools. The main purpose for athletics at the elementary level is to help the child develop physically through exercise, teach the fundamentals of the sport, and develop a proper attitude toward team play.

We are taking precautions to make our sports programs safe and wholesome. However, in case of an accident, the parent assumes the responsibility. In accordance with the purpose and spirit of the Mishawaka elementary athletic program, a child's parent or guardian must give their permission for their child to play. At the same time by signing this form, the parent understands that their child may be placed on probation or removed from the team for violating the Elementary Athletic Code and specific school rules and regulations.

A student who represents their individual school needs to consider several things; first, all those participating in sports are called student athletes. That is to say they are students first and athletes second. Because athletics is a privilege and not a right all athletes are required to sign below. By signing, the athlete agrees to uphold individual school tradition in a positive way. As a representative of your school an athlete must:

- Have passing grades in all subjects
- Have a good attendance record both at school and practice
- Display the lifelong guideline and the life skills during the school day, at practice and at each athletic event.

My Child _____ has permission to play _____ (sport)

at _____ School. Grade: _____ Phone #: _____

Shirt Size (circle) YouthMed YLarge AdultSmall AMed ALarge

Registration Fee: \$10.00

Parent Signature: _____ Email: _____

- I will transport my child to the away games
- My child will need transportation to the away games (it is my responsibility to get my child home from the games). Please see your coach for transportation paperwork.

As with any activity that our students participate in **we need adult participation**. We are asking parents to work one game in any of the following areas. Please place a check mark in the area that interest you and your PTA sports coordinator will get in touch with you to schedule the game. (SCM policy...if you volunteer you must have a criminal background check on file for the 2016–17 school year).

I am willing to volunteer in the following areas:

- Assist the Coach (keep scorebook/line judge during games)
- Sell Concessions
- Run Scoreboard
- Take money at the door (\$1.00 Admission)
