Read All About It-

PENNIES AND FOOD DRIVE

We are starting our annual food drive on Monday November, 26. We ask that you send non perishable food, paper products and toiletries. We will then deliver those items to Mishawaka High School for their community food drive.

We also will be collecting pennies and any monetary donations for our food drive that will be given to Mishawaka High School to purchase perishable items that will also be used for the community food drive.

These two events will end on Friday December 7th. The classroom with the most pennies collected will receive a class room party.

Fortnite Dance Party

Fortnite Dance Party will be on Friday November 16th. It will take place in the gym from 6:00pm to 7:00pm and students must have an adult attend with them.

Students are encouraged to dress up in Fortnite costumes but please DO NOT wear masks. Admission will be 1 canned good or not perishable item for our annual food drive. Snacks will be provided.

ABSENCES

If you know in advance your child or children will be out please call the office. We always don't know from the teacher if you have left a message with them. This will help keep our children safe.

Parent Portal in ALMA

Alma offers a parent and student portal to help families stay informed and on track with student learning. The portal provides access to: school calendar, staff directory, class rosters, attendance history, assignments, and grades. You can also email teachers and school staff directly through Alma, and make changes to emergency contacts.

If you have a valid email address in Alma, you will receive an activation email to set the password and activate your portal account. You will be assigned a single username and password as your login. If you have children in different buildings, you will need to log into each building separately using your assigned username and password.

Parent Email Addresses

In order to receive important messages and be able to obtain access to ALMA you must have a current email address. Please fill out the form below and return to school so your account can be updated. The plan going forward is to use email addresses to deliver report cards and communications from the school. Thank you.

December 24-January 4	Winter Break

Mission Statement

**LaSalle students
will be academically
and socially
proficient and
prepared
for the future.**

Gearing Up for Winter Weather

It's time to put away the shorts and start dressing for winter weather. Every child needs to be dressed to go outside for recess: coat, hat/ear warmers, scarf, gloves or mittens. Getting out in the fresh air after lunch is an important break in the school day, but we cannot have children going outside if they are not properly dressed. *Please be sure that items are marked with the child's name.* Students bring their outside gear with them to the cafeteria, and many coats look alike.

For Your Child's Safety

It is important that your child knows his or her after school plans (walking straight home, going to Boys and Girls Club).

To minimize disruption to the classroom learning environment, we ask that you communicate your child's after school plan before he or she leaves home in the morning.

Emergency situation are the exception.
