Morning Drop-Off

Parents, we have one drop off lane in the morning and that is the circle drive. It has been brought to our attention that parents are using the drive through area between the first two lanes of parking, for drop off. We have asked in prior communication to refrain from doing this. You may park in the lot and walk your children to the circle drive crosswalk. It is a safety issue and is causing problems for people who are following the procedures. Please give us a call if you have any questions. Thank you!
