## **Say Something**

### **Sandy Hook Promise**

Too often after an act of youth violence, facts come out that friends suspected or knew something was going to happen, but didn't know what to do with that information.

The **Say Something program** raises awareness and teaches students to recognize warning signs, signals and threats; and to "Say Something" to a trusted adult. Through classroom discussions, school activities Say Something educates and empowers students to look out for each other and be an upstanding student.
