

Dear Liberty Families,

Welcome to the 2019-2020 school year! Lots of things have been going on over the summer and there are lots of new faces here at Liberty! The teachers have been working tirelessly to get their classrooms ready for an amazing year!

The biggest change is a new principal! I, Mrs. Rebecca Cummings, am the new principal at Liberty Elementary. This is the start of my 20th year in education and I am excited to be joining the amazing staff at Liberty. I am looking forward to a phenomenal school year and getting to know all of the students and their families.

Class Lists will be posted and available for viewing Monday, August 12th. Please realize these are subject to change.

We will have open house on August 13th from 5:30-6:30. This is a great time to come in and see the building, meet your child's teacher, drop off all of those school supplies, and meet the new principal!!!

While visiting for open house please consider joining the PTA and becoming an even bigger part of the Liberty School Family. The PTA will have a table set up and some extremely creative things going on!

Once again Compass Club will be our before and after school care program. If you haven't signed up please ask about paper work and how to get your students enrolled at open house night.

Our first day of school will be August 14th. Students can enter the building at 8:30. If they are coming for breakfast it will be served from 8:00-8:30. All students should enter the building through door A. Students are expected to be in their classrooms no later than 8:45, if students arrive later than 8:45 they will be counted tardy.

With all of the changes this year we will be sure to communicate clearly what is happening at Liberty, look for the Liberty Launcher for up to date happenings. Please feel free to reach out to your child's teacher with any questions or let the office know if there is anything we can do to help.

In Kind Regards,

Rebecca Cummings
Liberty Elementary Principal
